

SELECTED ORCHESTRAL WORKS

GIFT TO GUEST CONDUCTORS OF THE ICELAND SYMPHONY ORCHESTRA
2017-2018

Dear conductor,

Please accept this gift from Tónverkamiðstöð (Iceland Music Information Centre). We have carefully chosen four works by Icelandic composers to present to you. On the USB drive with this package, you will find sound files with recordings of the works that are here printed.

We welcome all enquiries about Icelandic works, so if you are interested in other pieces than those presented here, please do not hesitate to contact us and we will send scores (and recordings, if they are available). Tónverkamiðstöð has over 10.000 works available online at shop.mic.is and all of them can be viewed as demos. Our email is itm@mic.is, should you have any enquiries.

Best wishes,

Signý Leifsdóttir
Managing Director
